CUT TO SIZE

Using your present air filter as a guide, simply trim the True Blue "Electrostatic Hammock Filter Pad" to size with household scissors.

EASY TO CUT

Using the old filter or slide-in screen as a guide, trim the filter pad to size.

EASY TO INSTALL

Allow for 2 to 3 inch edge seal or overlap when placing the filter pad in furnace "wrap-around" frame.

EASY TO FIT

Removable grill: Install filter directly into grill and snap grill back onto A/C.

With all air filter purchases, be sure to refer to your heating/cooling system Owner's Manual to ensure the filter you are about to use is compatible with your system.

WARNING: TO AVOID DANGER OF SUFFOCATION, KEEP THIS FILM AWAY FROM BABIES AND CHILDREN.

Limited Warranty: This product will be free from defects in material and manufacture for a period of one year from date of purchase. If this product is defective your remedy shall be replacement of the product or refund of the purchase price at PPA Industries Inc., (PPA) option.
